Jason Muhlstein

Twin Cities Market Leader and Technology Consulting Principal

Jason Muhlstein currently serves as Wipfli's Twin Cities Market Leader. In that role, Jason oversees a team of nearly 200 professionals in the Twin Cities area who provide audit, tax and consulting services to businesses and individuals. His role is primarily focused on organic and M&A growth and increasing Wipfli's awareness and value to clients and prospects.

With over 20 years of consulting experience, Jason's expertise lies in working with business leaders to assess, improve, and scale business performance for his clients. Aligning technology and data strategy solutions to support growth and efficiency business goals is Jason's passion. While he has delivered solutions for a wide range of industries, he has a focus on the manufacturing, construction, and banking verticals.

Cory Bultinck, CPA, MBT

Twin Cities Market Construction & Real Estate Practice Leader & Partner

Cory Bultinck is a tax partner in Wipfli's construction and real estate practice. He helps his clients achieve success through personalized and proactive planning. Cory takes a proactive approach toward client service that includes being up to speed on changing tax laws, ensuring compliance needs are met in a timely manner, and making certain that tax planning strategies are diligently executed. He often works collaboratively with his clients' financial advisors, attorneys, and other key stakeholders. Clients value Cory's focus on thorough communication, effective tax planning, and responsiveness to their specific needs.
