BUSINESS & ECONOMIC OUTLOOK

ALEX CHAUSOVSKY

Bundy Group

ATTENDEES WILL WALK AWAY FROM THE SESSION WITH THE FOLLOWING INSIGHTS:

- An objective assessment of time-sensitive economic indicators such as consumer spending, business investment, inflation, interest rates, and tariffs.
- Concrete advice on how to navigate the current macroeconomic climate and plan for the future, with a particular focus on tactical initiatives
- Tools that company leadership can use to become better data-driven decision makers in running their businesses
